COMMONWEALTH OF VIRGINIA, *ex rel.*

STATE CORPORATION COMMISSION

v.

CASE NO. PUE-1998-00628

**AUBON WATER COMPANY,
Defendant**

REPORT OF MICHAEL D. THOMAS, HEARING EXAMINER

February 14, 2003

By Settlement Order entered herein on December 16, 1998, the Commission directed Aubon Water Company ("Aubon" or "the Company") to undertake certain actions outlined in the Order to bring its waterworks into compliance with applicable Virginia Department of Health Regulations, and to construct a water treatment facility to serve the Long Island Estates Subdivision located in Franklin County, Virginia.

By Order entered March 1, 2001, in Case No. PUE-2001-00072, the Commission found that Aubon had been grossly mismanaged and had failed to comply with the Commission's aforesaid Settlement Order. The Commission appointed a Receiver to assume control of Aubon and manage the day-to-day operations of the Company.

By Order entered January 2, 2003, the Commission consolidated Case No. PUE-1998-00628 with Case No. PUE-2001-00072 for the purpose of conducting a hearing to determine whether certain emergency rates implemented by the Receiver should be made permanent. As part of the proceeding, the Commission directed the Receiver to file a report with the Commission updating certain actions undertaken by the Receiver on the Company's behalf. The Commission further directed the Staff to review the actions taken by the Receiver and investigate the need for the emergency rate relief.

On February 5, 2003, a hearing was convened as scheduled in the consolidated cases. The Reports filed by both the Receiver and Staff were accepted into evidence; both parties recommended that Case No. PUE-1998-00628 be closed. The water treatment facility required by the Commission's Settlement Order for the Long Island Estates Subdivision has been built and is operational. Accordingly, **I RECOMMEND** the Commission enter an order closing Case No. PUE-1998-00628 and passing the papers herein to the file for ended causes.
